

STRASBOURG A GREAT PLACE TO STUDY

Historical town

Rich heritage, Grande Ile and Imperial Quarter (World Heritage UNESCO)...

European Town

Seat of several major European institutions, Strasbourg is also a symbolic capital, embodying the fundamental values of Europe

Cultural town

From Opera, theatres, concerts to the Shadoks FabLab, with a lot of major reductions using «Student Culture Card» offered by ENSAS.

Town of facilities

1st Tram network in France, 1st cycling city of France, low-cost university housings, apartment-sharing opportunities, university and local restaurants (Winstub)....

For all these reasons (and many others!), students love Strasbourg
