Why Munich: A Unique Opportunity

Munich Climate Week connects **research, innovation, policy, and community action**. It's about turning existing strengths into **visible, city-wide momentum**.

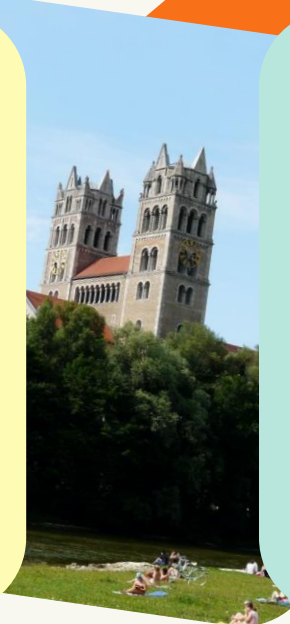

Ambitious City Commitments and Targets

The city committed to net zero ten years earlier than the national target.

Growing Climate Tech and Innovation Ecosystem

Leading climate tech innovation and spin-offs in nuclear fusion, carbon capture, and battery tech.

World-Class Universities and Research

A strong ecosystem of world-leading universities in climate research, engineering and policy.

What is Munich Climate Week?

Munich Climate Week is **decentralized** and **community-driven**.

Official Patronage by the City of Munich

We are proud to announce that **Dominik Krause, Mayor of Munich**, has taken on the *Schirmherrschaft* (official patronage) of the inaugural Munich Climate Week, making him the first-ever patron of this new civic climate platform.

His support reflects the City of Munich's commitment to climate action and underscores the significance of Munich Climate Week as a leading forum for cross-sector collaboration.

Excerpt of our Partners

Creative & innovative event formats

All of our partners are encouraged to **cross collaborate** and build **exciting** formats, matching to the target audience they are aiming for.

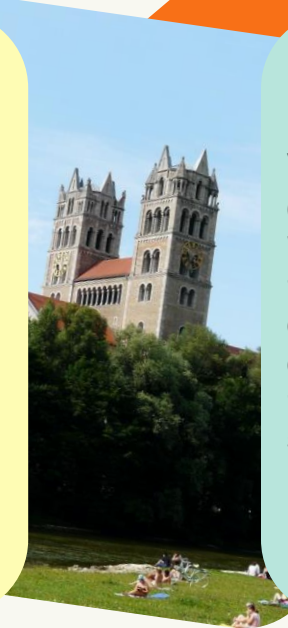

Funding for Innovators: Climate Investors Dinner

UnternehmerTUM Funding for Innovators are bringing together the leading pioneers across Investors and the broader ecosystem in an intimate Climate Dinner setting.

Phlair: Circle of CDR

Phlair is hosting a circle of Carbon Dioxide Removal (CDR) event, including tours of the pilot plants, a panel, food and drinks. They connect leaders from Airbus, BMW, Deutsche Bank, BCG and Frontier.

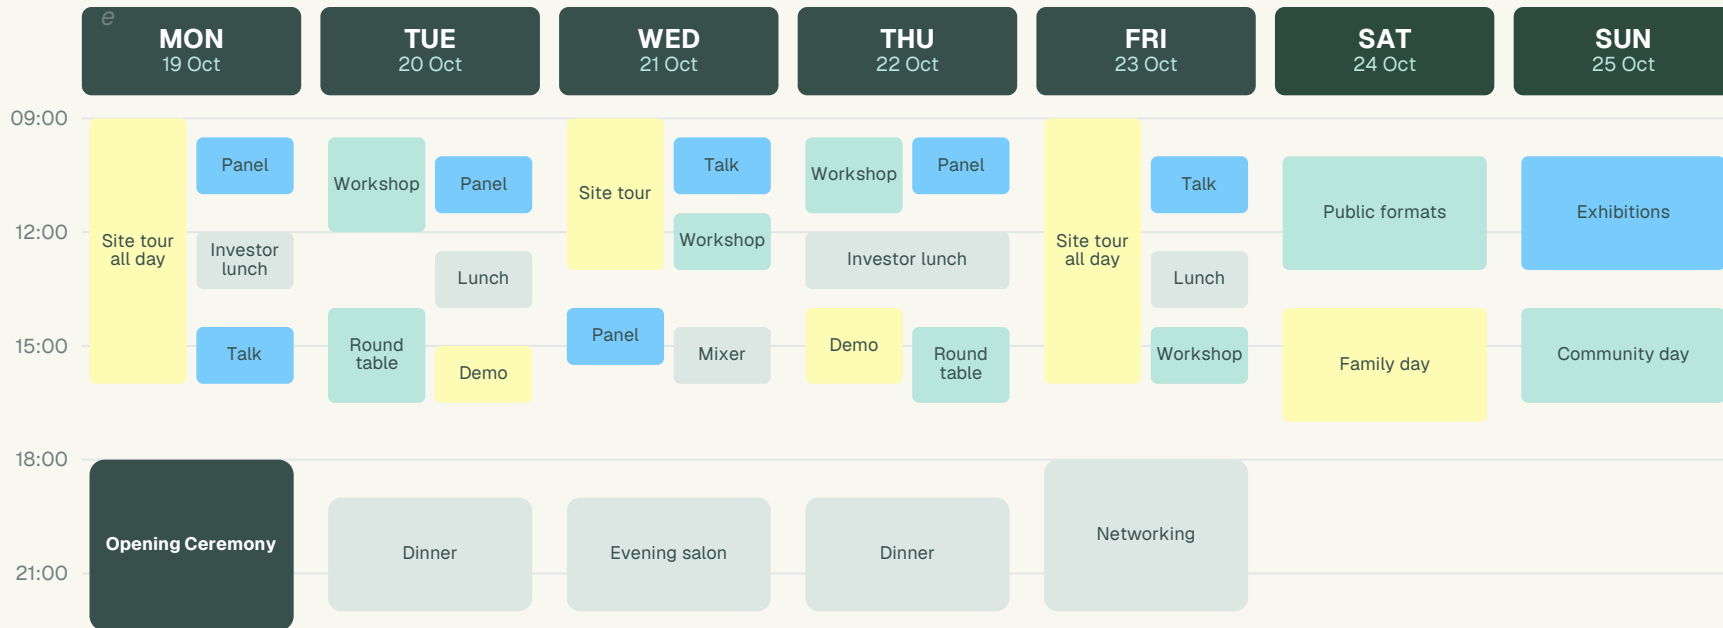

MunichRE & TUM Venture Labs

One day of risk resilience: With various deep dives, they open their doors to discuss a way that helps decision-makers move from uncertainty to strategy, and achieve a level of climate preparedness.

What will Munich Climate Week look like?

One opening night & 100+ partner events running in decentralized and in parallel, all over the city.

Illustrativ

The opening ceremony sets the tone for the week

A central gathering and networking for experts, companies and organizations

The one event we host centrally.

Everything else in the week is partner-led and spread across the city — this is event centrally curated.

A room that sets the tone.

Founders, funders, policymakers and the City's leadership, together once the week begins.

Built to move from stage to dialogue.

Keynotes set the frame; dialogue roundtables focus on solutions and innovation for the years to come.

Seats are limited.

Access is offered through sponsorship — the heart of the partnership offer.

The background of the entire image is a photograph of a park with green trees and a white classical building with a dome. Overlaid on this are two large, curved, semi-transparent shapes: a yellow one on the left and a blue one on the right. In the center is a dark grey rounded rectangle containing the event's logo and text.
