

# Fatal Tides

- Games Laboratory Project – Master Informatik: Games Engineering
- Game concept: Twister
- Naval battle arena inside a maelstrom
- Each player controls a ship
- Kraken in the center
- The maelstrom gets stronger over time
- Supports up to 4 players
- Crew can be assigned to cannons, sails, repair or fishing for supplies
- Ammunition, repair supplies and power-ups can be fished from the ocean
- The last ship standing wins
