

How to find courses in TUMonline

The language can be changed on the upper right handside.

Select “continue without login”

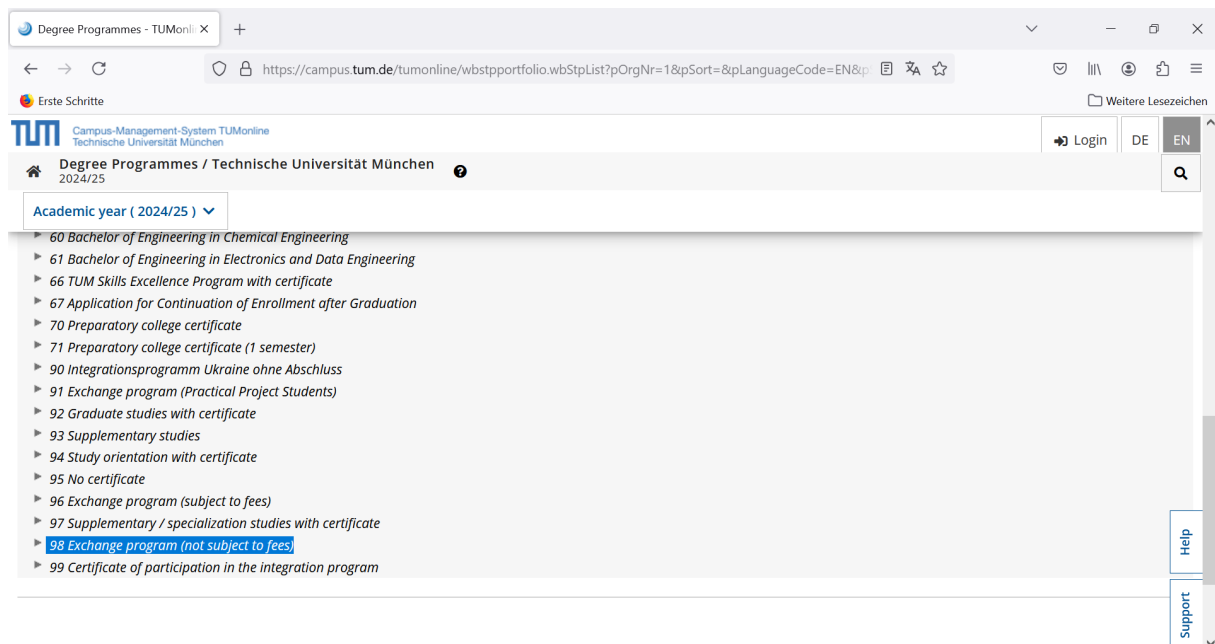

Select the Academic Year

Important: As the course catalogue is updated only a few weeks before the beginning of the semester, please have a look at the previous year. Usually there are only minor changes between corresponding semesters, i.e. SS 2025 and SS 2026 or WS 2025/26 and WS 2026/27.

ECTS can be found in the Module Catalog.

and: **98 Exchange program (no subject to fees)**

400 Exchange Program Mechanical Engineering (ISCED 0715)
