## Newsletter for Doctoral Candidates of GC-ED

The semester is in full swing already and we have some short information for you.

Your team from GC-ED!

### Course Programme of GC-ED

In summer semester we are again offering a **variety of informative, subject specific and interdisciplinary events**.

For summers semester we are trying out a **new registration order**. It still takes place via DocGS, but the **registration periods will begin in 4 blocks**:

- **Monday, the 13.03.2023 at noon for events beginning between 01.04.2023 and 14.05.2023 (already open)**
- **Monday, the 03.04.2023 at noon for events beginning between 15.05.2023 and 30.06.2023 (already open)**
- **Wednesday, the 03.05.2023 at noon for events beginning between 01.07.2023 and 31.08.2023**
- **Monday, the 05.6.2023 at noon for events beginning between 01.09.2023 and 30.09.2023**

We hope that opening registration shorter time before the course beginning will help you better plan these events in your schedule.

You do not need to note these dates now, as we will send you a **reminder shortly before each registration period will start**.

### Facts around your dissertation

- The next info event via Zoom concerning the submission of your thesis is scheduled for **April 26, 2023**. For more information click here:
