15:00 - 16:30					Green Typologies – MA (E,6) <i>AR72047</i> Green Typologies 14:00 – 18:00 1325, Seminar room
16:45 - 18:15					

This schedule is valid for students of the study regulations FPSO20221 (start of the program from the winter term 2022-23)

Further modules in this term

Interdisciplinary Summerschool Urban Design (E,5)

ED120049

Interdisciplinary summer school Urban Design

Block course at the beginning of the semester details → TUMonline

For the beginning dates of the courses and detailed weekly schedules please check TUMonline using the respective Course-No. Students registered for the courses will be automatically notified about changes.

This schedule is valid for each winter term. In case of overlapping courses, there is another chance to take one in the next year.

Modules and Courses

What is a Module?

A module is a didactic unit consisting of one or more thematically related courses. The module is completed by the “module examination”, which is in most cases a single exam covering all of the module’s courses. The ECTS-credit points are granted for the whole module after a successful participation in the module examination.
