

Hello future participant!

Do you want to earn 30€ by playing an engaging game?

Why do we click in some interactions and not in others?

We are recording social interactions to find the answer to this question in our new study.

You will be invited to play the **MIRROR GAME** exercise and a **CONVERSATION GAME** with a stranger. During these interactions, we will track your movements and eye gaze.

Who can join?

- ✓ sufficient knowledge of English (B2 or higher)
- ✓ between 18-45 years old
- ✓ no neurological or psychiatric diagnoses
- ✓ unimpaired vision or contact lenses

Nußbaumstraße 7, 80336
Munich
