By signing below, the student to be hired agrees to abide by the following provisions.

1. Completeness and Validity

Consent

The student to be hired ensures that the uploaded documents are filled in completely and correctly. The associated instructions in the wiki¹ have been read and understood in full.

2. Information requirement

The student to be hired agrees to independently inform the chair of any changes, changes in studies, sick leave, contract extensions, inability to work, or the like, within the scope of applicable employment law.

3. Autonomy

The student to be hired works independently and reports to his/her supervisor at appropriate intervals. If no explicit work assignments are given, it is the student's responsibility to request them or to make suggestions independently. The work performed must be documented.

4. Compliance with the Minimum Wage Act

The student to be hired agrees to comply with the regulations of the Minimum Wage Act. In particular, the maximum weekly working time of 20 hours stipulated in the Social Security Law.

5. Working Time Records

The student to be hired undertakes to submit the hourly records (working time documentation) required by the Minimum Wage Act to his/her personal wiki page by the end of the first week of the following month at the latest. This applies to all months over which the agreed contract period extends. In case of non-compliance, the student to be hired agrees that the existing employment relationship may be terminated.
