

These Universal Terms apply to all Offerings. To order an Offering, Customer will enter into an Order Form with SAS that incorporates these Universal Terms and other Offering-specific addenda. [Definitions](#)

1. Permitted Use

1.1 Usage Rights. This section describes the standard usage or access rights for Offerings. The Order Form may contain additional or different usage or access rights.

1.1.1 For any SAS Cloud Offering, Customer may access the System during the Term.

1.1.2 For any Software Offering installed outside of a System, SAS grants Customer a license to use the Software during the Term.

1.1.3 If the Offering includes Work Product, SAS grants Customer a royalty-free license to use the Work Product. If the Work Product relates to Software or a System, Customer will use the Work Product only in connection with the applicable Software or System and during the Term of the Agreement for the Software or System.

1.2 Benefit. Customer will use the Offering solely for the benefit of its operations in the Territory. If the Territory is global or includes more than one country, then Customer's Related Entities may also benefit from use of or access to the Offering.

1.3 Restrictions.

1.3.1 All license grants and usage rights are nonexclusive, nonassignable and nontransferable.

1.3.2 Customer will not use any Offering or Documentation to: (a) bring an intellectual property infringement claim against SAS; or (b) create or assist a third party in creating an offering that competes with SAS.

1.3.3 Customer may use any Documentation only to support Customer's use of the related Software.

1.3.4 Customer will not use any Offering in a time-sharing or service provider arrangement.

1.4 Users. This Permitted Use section extends to Users.

2. Agreement Term

2.1 Effective Date; Term. The Agreement is effective upon the last date of signature or acceptance of the Order Form and will remain in effect for the Term.

2.2 Termination. If a party breaches the Agreement, the other party may terminate the Agreement if the breach has not been cured after thirty (30) days' written notice. SAS may terminate

the Agreement immediately if Customer violates SAS' intellectual property rights. Customer may terminate the Agreement as set forth in www.sas.com/termination. Obligations in the Agreement that by their nature are continuing survive expiration or termination. In addition, the terms of the Agreement will continue to apply if SAS continues to provide an Offering to Customer while the parties are in good faith negotiations to renew the Offering. SAS' provision of the Offering during any such negotiation is not fee waived.

If the Agreement terminates or expires, Customer will stop using the Offering and delete any media, Product Authorization Codes, or Documentation provided by SAS.

3. Fees

3.1 Fees. Fees are listed in the Order Form.

3.2 Payment. Payments are due net thirty (30) days. Refunds are not available unless specifically stated in the Agreement. SAS may designate an affiliate or a third party to invoice and/or collect payment on its behalf.

3.3 Upgrades. Customer must contact SAS to change any factor impacting the Pricing Metric or applicable usage or access rights. These changes may result in additional Fees calculated and invoiced based on the date of the change.

3.4 Taxes. Customer is responsible for any applicable taxes, except for taxes based on SAS' income. Unless otherwise stated in the Order Form, Fees do not include taxes. Customer may provide a tax exemption certificate to SAS. SAS will use reasonable efforts to include applicable taxes on SAS' invoice. Customer will self-assess and pay any VAT, GST or sales tax applicable to Customer's use of the Offering outside of the US and not included on SAS' invoice.

3.5 Third Party Payments. Customer may designate a third party to receive invoices and make payments on Customer's behalf. Customer will be responsible for any related charges assessed by the third party. Payment of all Fees remains Customer's ultimate responsibility.

4. Technical Support

4.1 General. Technical support for the Software or System is included during the Term as documented in SAS' technical support policies at

<https://support.sas.com/en/technical-support/services-policies.html>, which may be updated from time to time. Customer may obtain additional support services from SAS by executing an Order Form and paying additional Fees to SAS.

Technical support also includes access to all new releases, updates, bug-fixes, security patches and other corrective code that SAS makes generally available. Customer agrees to use reasonable efforts to install such content for Software not hosted by SAS. If Customer chooses not to install the current release of the Software or instructs SAS not to install the current release of the Software in a System, the level of technical support will diminish over time. During ongoing development, SAS may rename Offerings or add, change or delete individual components or functionality in new releases of the Software or System.

4.2 Customer Contacts and Notification. Customer must establish knowledgeable technical contacts who are qualified to provide SAS with information necessary for SAS to diagnose and remedy any problems. When requesting technical support, Customer will notify SAS of any modifications to the Software or System not made by SAS. Failure to comply with these terms may result in longer response and resolution times.

5. Intellectual Property

The Agreement does not transfer any ownership rights. SAS and its licensors retain title to the Offering, any Documentation, source code, and any techniques, skills, concepts or know-how SAS utilizes or develops while performing the Agreement. Customer retains ownership to Customer Materials and any data Customer derives from using an Offering. The Software source code is a SAS trade secret. Customer and Users will not access source code or attempt to reverse engineer, reverse assemble or decompile the Software or System. Customer and Users will not remove any copyright or proprietary rights notice from any Offering. The Agreement does not limit any rights Customer may have under any open-source license covering any open-source component included in the Offering.

Use of any online training provided with an Offering but not separately listed on the Order Form is governed by the terms of the Agreement.

6. Customer Materials

6.1 Usage Rights. Customer grants SAS a nonexclusive, nonassignable, nontransferable and royalty-free license to use the Customer Materials solely to perform the Agreement.

6.2 Data Classification Forms. Before providing any Customer Materials to SAS,

Customer will complete any data classification forms that SAS requests. Customer will only transmit Customer Materials to SAS using SAS-approved methods.

6.3 Format and Protection. Customer's failure to provide any required Customer Materials in a mutually agreed upon format and timeframe, and in a usable condition, may delay SAS' performance of the Agreement. The parties will manage any resulting schedule changes through a change control process, and additional Fees may apply.

Customer is responsible for: (a) the integrity of the Customer Materials; (b) backing up the Customer Materials, and (c) mitigating the risks inherent in storing or transmitting the Customer Materials via the System, including the risk of data loss.

6.4 Exclusions. SAS' warranties, indemnities and technical support set forth in the Agreement do not apply to Customer Materials.

6.5 Customer Materials Used in a System.

6.5.1 Customer must obtain SAS' prior written approval before using Customer Materials owned by a third-party data provider in the System. If any third-party data provider requires that SAS sign a separate data use agreement in order to use such data to perform the Agreement, then Customer, SAS and the provider will sign a three-party agreement. Notwithstanding the terms of any such data use agreement, the data provided by the third party will be deemed Customer Materials, and the Customer warranties and indemnification applicable to Customer Materials in the Agreement will apply.

6.5.2 If SAS believes the Customer Materials violate applicable law or third-party rights, SAS may either: (a) require Customer to remove the Customer Materials from the System; or (b) disable the Customer Materials.

6.5.3 Customer is responsible for: (a) providing or arranging for the provision of all support, maintenance, and upgrades for Customer Materials, including up-to-date virus protections; and (b) coordinating the timing of such activities with SAS. Customer may direct the Customer Materials provider to contact SAS on Customer's behalf for technical support issues if the provider believes the issue is connected to the System.

6.5.4 SAS may disable or remove Customer Materials in the event of any emergency situation or any threat or perceived threat to the System related to the Customer Materials. SAS will not be responsible for any adverse performance impact to the System or Downtime attributable to Customer Materials or to any such disengagement. In addition, SAS is not responsible for any compromises to the confidentiality, integrity, or availability of the System

or Customer Materials that are attributable in whole or in part to Customer's use of Customer Materials.

7. Preproduction Offerings

7.1 Preproduction Offerings. During the Term, SAS may give Customer the opportunity to preview Preproduction Offerings at no cost to Customer so that Customer may provide feedback to SAS. No additional Order Form is required for Customer to preview a Preproduction Offering, regardless of whether the Preproduction Offering is a version of a production Offering that Customer has ordered via an Order Form or separate technology. Customer will not use Preproduction Offerings for production purposes.

7.2 No Warranty. SAS PROVIDES PREPRODUCTION OFFERINGS "AS IS." SAS' warranties and indemnification obligations set forth in the Agreement do not apply to Preproduction Offerings. SAS does not guarantee that any Preproduction Offering or functionality will be made generally available.

7.3 Disclaimers. NEITHER CUSTOMER, SAS, NOR SAS' THIRD-PARTY LICENSORS ARE LIABLE FOR DIRECT, SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, PUNITIVE, OR RELIANCE DAMAGES (ARISING IN TORT, CONTRACT OR OTHERWISE) RELATED TO THE PREPRODUCTION OFFERING, EVEN IF THEY HAVE BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. SAS AND SAS' THIRD-PARTY LICENSORS ARE NOT LIABLE FOR ANY THIRD-PARTY CLAIMS AGAINST CUSTOMER RELATED TO A PREPRODUCTION OFFERING. THE PARTIES MAKE THESE EXCLUSIONS IN CONSIDERATION OF THE LICENSES GRANTED UNDER THE AGREEMENT.

7.4 Hosted Preproduction Offering. If SAS makes the Preproduction Offering available via a hosted environment, Customer will comply with the terms of use that SAS specifies in writing.

8. SAS Warranties and Disclaimers

8.1 Intellectual Property Warranty. SAS warrants it has the right to license the Software or Work Product or provide the Offering to Customer. Customer's exclusive remedy for SAS' breach of this warranty is set forth in the *Indemnification by SAS* section.

8.2 Virus Warranty; Conformance with Documentation Warranty. SAS warrants that when delivered, each commercially available release of the Software will not contain a virus and will substantially conform to its Documentation. As Customer's exclusive remedy for breach of this warranty, SAS, at its option, will: (a) repair the Software; (b) replace the Software; or (c) terminate

the applicable Order Form and refund the Fees paid for the Software during the then-current annual period or any prepaid Fees under the Order Form.

8.3 Skilled Personnel Warranty. SAS warrants that the Consulting Services will be performed by skilled personnel. As Customer's exclusive remedy for breach of this warranty, SAS will refund the Fees paid for the Consulting Services at issue.

8.4 WARRANTY DISCLAIMERS. SAS AND ITS THIRD-PARTY LICENSORS DISCLAIM ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR ARISING AS A RESULT OF CUSTOM OR USAGE IN THE TRADE OR BY COURSE OF DEALING. SAS MAKES NO WARRANTY THAT THE SOFTWARE OR THE SYSTEM WILL OPERATE ERROR-FREE OR WITHOUT INTERRUPTION OR THAT ANY DATA TRANSMISSIONS TO, FROM, OR THROUGH THE SYSTEM WILL BE COMPLETELY SECURE. SAS DOES NOT WARRANT OR REPRESENT THAT CUSTOMER'S USE OF THE OFFERING ALONE WILL RESULT IN CUSTOMER'S COMPLIANCE WITH ANY APPLICABLE LAW.

9. Customer Warranties

9.1 Intellectual Property Warranty. Customer warrants that: (a) it has the right to provide the Customer Materials to SAS; and (b) Customer and Users will comply with any third-party usage rights and applicable laws related to the Customer Materials. The exclusive remedy for breach of these warranties is set forth in the *Indemnification by Customer* section.

9.2 Compliance Warranty. Customer warrants that the publication, transmission and receipt of all Customer Materials complies with all applicable laws including, without limitation, laws relating to trademarks, copyrights, defamation, consumer protection, personal privacy and false or deceptive trade practices.

10. Exclusions of Damages; Limitation of Liability

10.1 Exclusion of Damages. Neither Customer, SAS, nor SAS' third-party licensors are liable for special, incidental, indirect, consequential, punitive, or reliance damages (arising in contract, tort or otherwise) even if they have been informed of the possibility of such damages. Neither SAS nor SAS' third-party licensors are liable for any third-party claim against Customer. SAS' third-party licensors are not liable for any direct damages.

10.2 Limitation of Liability. THE TOTAL AMOUNT CUSTOMER MAY RECOVER FROM

SAS FOR ALL CLAIMS ARISING FROM OR RELATING TO THE AGREEMENT IS LIMITED IN THE AGGREGATE TO THE FEES CUSTOMER HAS PAID FOR THE OFFERING AT ISSUE DURING THE APPLICABLE ANNUAL PERIOD IN WHICH THE CLAIM AROSE.

10.3 **Applicability.** This section does not apply to the *Indemnification by SAS* section, the *Indemnification by Customer* section, or to either party's violation of the other's intellectual property rights. The limitations in this section will apply even if any of the remedies provided in the *SAS Warranties and Disclaimers* section fail of their essential purpose. Some jurisdictions do not allow limitations of liability or exclusions of certain types of damages so certain provisions of this section may not apply to Customer. However, the provisions apply to the greatest extent permitted by applicable law.

11. Indemnification by SAS

Provided Customer complies with the Agreement, SAS will defend and indemnify Customer for any third-party claim against Customer for: (a) any copyright, patent, trade secret or other intellectual property rights violation relating to the Software, Work Product, or any Software or Work Product included in a SAS Cloud Offering; or (b) bodily injury, death or damage to tangible property, arising solely from actions for which SAS is legally responsible. Tangible property does not include software or data. Customer will promptly notify SAS in writing of any such claim. Customer will allow SAS to control the litigation or settlement of any such claim and will cooperate with SAS in the investigation, defense and settlement. SAS will indemnify Customer by paying for the costs and attorneys' fees Customer incurs at SAS' direction and any judgment finally awarded against Customer or settlement approved by SAS. Customer may participate at Customer's own expense.

If any intellectual property claim is made or, in SAS' opinion, is likely to be made, SAS may: (i) modify the Software or Work Product; (ii) obtain rights for Customer to continue using the Software or Work Product; or (iii) terminate Customer's license to use the Software or Work Product and refund any Fees paid by Customer for the then-current annual period or for the Work Product at issue. Customer will abide by SAS' decision.

SAS' indemnification obligation does not apply to claims based on: (1) Customer's combination of the Software or Work Product with other software or materials; (2) Customer's modification to the Software or Work Product; (3) prior versions of the Software if Customer had not installed the latest version or updates to the Software prior to the date the claim arose as instructed by SAS; or (4)

Customer's unique specifications for the Work Product.

12. Indemnification by Customer

Customer will indemnify SAS for any claim made against SAS arising from or relating to: (a) the Customer Materials; (b) Customer's violation of its obligations in the *Customer Warranties* and *Customer Responsibilities* sections of these Universal Terms; or (c) violations of the *Prohibited Activities* section included in an Addendum for any System. SAS will promptly notify Customer in writing of any such claim. SAS will allow Customer to control the litigation or settlement of any such claim and will cooperate with Customer in the investigation, defense and settlement. Customer will indemnify SAS by paying for the costs and attorneys' fees SAS incurs at Customer's direction and any judgment finally awarded against SAS or settlement approved by Customer. SAS may participate at SAS' own expense.

13. Confidential Information

Each party acknowledges that it may have access to certain Confidential Information. The recipient will use the discloser's Confidential Information only to perform its obligations under the Agreement. SAS may also use Customer's Confidential Information to provide Customer sample analysis for other SAS Offerings or Preproduction Offerings. Recipient will not disclose discloser's Confidential Information received in connection with the Agreement to any third parties without Discloser's prior written approval. This restriction does not apply to information that is: (a) generally available to the public; (b) released by discloser without restriction; (c) independently developed or acquired by recipient; (d) known to the recipient prior to receipt from discloser; or (e) revealed pursuant to court order or as required by applicable law, provided that recipient uses reasonable efforts to promptly notify discloser of such requirement prior to compliance in order to permit discloser to seek protection against disclosure. SAS may also: (a) report the terms of the Agreement to SAS' third-party licensors and partners solely as required by agreements between SAS and its third-party licensors and partners; and (b) list Customer as a SAS customer in SAS' annual report or other materials. Recipient's obligations of confidentiality for each item of discloser's Confidential Information will continue for five (5) years from the date of initial disclosure. However, confidentiality obligations for Personal Data or source code will not expire. For the purpose of this section, SAS' affiliates and subcontractors are not "third parties." Unless specifically authorized in the Order Form, neither party will disclose source code.

14. Data Protection and Personal Data

Customer will not disclose or transmit Personal Data to SAS unless: (a) specifically authorized under the Order Form; (b) authorized by an Addendum incorporated into the Order Form; or (c) required for technical support. In such event, the SAS Data Processing Addendum available at <https://www.sas.com/dpa> will apply to SAS' processing of Personal Data. If the Personal Data contains Protected Health Information as defined by and subject to the US Health Insurance Portability and Accountability Act, the Business Associate Addendum available at [sas.com/baa](https://www.sas.com/baa) is incorporated into the Agreement with respect to such disclosure.

To the extent applicable, SAS will also comply with the SAS Business Customer Privacy Policy available at https://www.sas.com/en_us/legal/privacy.html, which is subject to change at SAS' reasonable discretion. Changes will not result in a material reduction to the level of protection provided by SAS for any Personal Data during the Term.

15. Insurance

During the Term, SAS Institute Inc. will keep the following insurance policies in force:

- (a) Workers Compensation – Statutory (in the amounts required by applicable law);
- (b) Employer's Liability – USD \$1,000,000 per occurrence; bodily injury by accident or disease, including death;
- (c) Commercial General Liability – USD \$1,000,000 combined limit per occurrence and USD \$2,000,000 aggregate; bodily injury, personal injury and property damage, including blanket contractual liability; and
- (d) Automobile Liability (if vehicles are brought on Customer's premises) – USD \$1,000,000 combined limit per occurrence; bodily injury and property damage covering owned, non-owned and hired vehicles.

Evidence of coverage is available at: https://www.sas.com/en_us/legal/evidence-of-insurance.html.

16. Applicable Law

16.1 Governing Law. The laws of New York, excluding choice of law provisions and excluding the United Nations Convention on Contracts for the International Sale of Goods, govern the Agreement.

16.2 Arbitration. All disputes arising out of or in connection with the Agreement, including any dispute as to the validity and enforceability of this arbitration clause, will be finally settled under the Rules of Arbitration of the International Chamber of Commerce (“**Rules**”) by three (3) arbitrators. Each party will appoint one (1) arbitrator and the third

arbitrator will be appointed by the first two (2) arbitrators. The tribunal will not award any punitive or exemplary damages or any remedies greater than those allowed by the Agreement. Notwithstanding Article 38 of the Rules, each party will bear its own costs. The parties will share equally in the compensation and expenses of the arbitrators and the ICC administrative fees. The seat of the arbitration will be New York, New York, and the arbitration will be conducted in English. For clarification, the Governing Law section of this Agreement establishes the substantive law applicable to the Agreement. The terms in this Arbitration section will be interpreted and enforced in accordance with the U.S. Federal Arbitration Act as long as New York law or other U.S. state law governs the Agreement. This section does not prevent the parties from applying to a court of competent jurisdiction for temporary or preliminary injunctive relief, without breach or waiver of this section and without abridging the powers of the tribunal.

16.3 Export and Import Restrictions. US export laws and regulations apply to the Offering and any other SAS-provided technology (“**Controlled Material**”). The Controlled Material originates from the United States. Both parties agree to comply with these and other applicable export and import laws and regulations, except as prohibited or penalized by law (“**Trade Law**”). Customer warrants that Customer and its Users are not: (a) prohibited by Trade Law from accessing Controlled Material without US government approval; (b) located in or under control of any country or other territory subject to general export or trade embargo under Trade Law; or (c) engaged in any of the following end-uses: nuclear, chemical or biological weapons; nuclear facilities not under International Atomic Energy Agency safeguards; missiles or unmanned aerial vehicles capable of long-range use or weapons delivery, military training or assistance, military or intelligence end-use in Russia or in any country in Country Group D:5 of the United States Export Administration Regulations; deep water, Arctic offshore or shale oil or gas exploration involving Russia or Russian companies, or Russian energy export pipelines. Customer will not import or use any data within the System that is subject to the US International Traffic in Arms Regulations. United States export classification information for SAS software is available at <http://support.sas.com/adminservices/export.html>.

16.4 Additional Terms. If the Order Form is entered between Customer and a SAS affiliate located outside of the US, any applicable provisions of the Country-Specific Terms available at <https://www.sas.com/country-specific-terms> will apply. In the event of a conflict between the Country-Specific

Terms and these Universal Terms, the Country-Specific Terms apply.

17. General

17.1 Subcontracting. SAS may subcontract its performance under the Agreement. However, such subcontracting arrangement does not relieve SAS of its obligations to Customer under the Agreement.

17.2 Customer Responsibilities. Customer will: (a) verify the accuracy of its data input and output while using the Offering; (b) duplicate, document and protect all data and software Customer uses with the Offering; (c) for SAS Cloud Offerings, assume responsibility for any damages resulting from Customer's decision to continue running a prior version of the Software in the System that SAS has informed Customer is no longer eligible for SAS' standard technical support; (d) inform all Users of the relevant terms of the Agreement and be responsible for their adherence to such terms; (e) keep records of where any Software is installed and used; (f) keep records of the extent of usage of the Software or System relative to the applicable Pricing Metrics and usage rights and provide a copy of such records to SAS upon request; (g) designate a single delivery contact for Product Authorization Codes and installation media and a single billing contact for invoices; and (h) use the Offering consistent with the SAS Responsible Use Policy, available at www.sas.com/responsibleuse.

17.3 Customer Feedback. SAS may use any feedback related to any Offering or Preproduction Offering in any format and any ideas, concepts, know-how, formulas, designs, improvements, inventions, techniques or processes contained in that feedback, whether or not patentable.

17.4 Severability. If a court of competent jurisdiction finds any part of the Agreement unenforceable, that part is excluded, but the remainder remains in full force and effect.

17.5 No Waiver. Failure to require compliance with a part of the Agreement is not a waiver of that part. Nothing in the Agreement waives any remedy SAS may have under the Agreement at law, in equity, or otherwise.

17.6 Non-Assignment. Customer will not assign the Agreement or any of its rights or obligations without SAS' written permission, which will not be unreasonably withheld. If Customer attempts to assign the Agreement in violation of this subsection, that assignment is void and is a material breach of the Agreement. However, SAS may assign the Agreement to any affiliate or in connection with a merger, acquisition or asset sale by notice to Customer.

17.7 Audit. Upon thirty (30) business days' notice to Customer, SAS may conduct an audit during Customer's normal business hours to verify Customer's compliance with an Order Form. If the audit reveals that Customer owes additional fees, Customer will pay the amounts owed.

17.8 Injunctive Relief. Because monetary damages are inadequate to remedy a breach of SAS' or its third-party licensors' intellectual property rights, SAS may protect those intellectual property rights through temporary restraining orders or injunctions without posting bond.

17.9 Force Majeure. Except for Customer's obligations to pay the Fee, neither party will be liable to the other party for any failure or delay in performance caused by factors beyond its reasonable control including, but not limited to, restrictions of applicable law, epidemics or pandemics, labor disputes, acts of God, third-party mechanical or other equipment breakdowns, fire, explosions, fiber optic cable cuts, interruption or failure of telecommunication or digital transmission links, Internet failures or delays, cyber-attacks, storms or any other event that prevents performance.

17.10 Independent Contractors. SAS, its employees, and subcontractors are acting as independent contractors and not as employees or agents of Customer. Neither party has the authority to bind the other party.

17.11 Third Party Rights; No Lease. Unless specifically stated in the Order Form, the Agreement does not confer any rights upon any third parties. This Agreement does not lease any interest in real property to Customer.

17.12 Non-Solicitation. For twelve (12) months after the completion of the applicable Order Form, Customer will not solicit for hire any individual who provides Consulting Services. This section does not prevent Customer from hiring any individual who applies through a public job posting.

17.13 Updates to Terms. SAS may change the terms set forth in the URLs listed in the Order Form or incorporated into the Agreement from time to time. However, if the change results in a material degradation of the Customer's rights under the Agreement, SAS will provide Customer with written notice of the change by posting the notice on www.sas.com/contract-with-sas-archive.

17.14 Languages. The parties enter into the Agreement in English. However, Customer or SAS may enter into all or a portion of the Order Form in a non-English language. In that event, the Order Form will be binding as written but any addenda

incorporated into the Order Form will be binding in English. SAS may make the Agreement available in other languages for Customer's convenience. However, the English language version controls unless otherwise required by applicable law. SAS may invoice Customer in English.

17.15 Complete Agreement. If SAS provides an Order Form as a click agreement, the Agreement will be binding upon both parties upon Customer's acceptance. The Agreement is the parties' complete statement relating to its subject matter. SAS rejects any additional or conflicting terms on purchase orders or other purchasing documents. Except as set forth in the Updates to Terms section, the Agreement may not be modified by any side agreement or arrangement between SAS and Customer, written or oral, that purports to modify the Agreement and is not accepted in writing by an authorized representative of both parties.
