INSTITUTE

Deep Learning Week

25 – 29 July 2022

Overview

- The workshop is co-organised by LRZ and NVIDIA Deep Learning Institute (DLI).
- NVIDIA Deep Learning Institute (DLI) offers hands-on training for developers, data scientists, and researchers looking to solve challenging problems with deep learning.
- This online workshop combines lectures about Fundamentals of Deep Learning for single and for Multi-GPUs, Building Transformer-Based Natural Language Processing Applications and Deep Learning on LRZ systems.
- The lectures are interleaved with many demos and hands-on sessions using Jupyter Notebooks.
For days 1 to 4, students will have access to a fully configured GPU-accelerated workstation in the AWS cloud.
On day 5, the capabilities of the LRZ AI System will be showcased.

DEEP
LEARNING
INSTITUTE

DEEP LEARNING INSTITUTE

DLI Mission: Help the world to solve the most challenging problems using AI and deep learning

We help developers, data scientists and engineers to get started in architecting, optimizing, and deploying neural networks to solve real-world problems in diverse industries such as autonomous vehicles, healthcare, robotics, media & entertainment and game development.

Lecturers

DEEP
LEARNING
INSTITUTE

- **Lecturer:**

- PD Dr. Juan Durillo Barrionuevo (LRZ)

- **Assistants:**

- Dr. Momme Allalen (LRZ)
- Dr. Volker Weinberg (LRZ)

DEEP
LEARNING
INSTITUTE

All instructors are NVIDIA certified University Ambassadors.

1st day: Fundamentals of Deep Learning

- 10:00-10:20 Welcome and Intro
- 10:20-12:00 Introduction to Deep Learning and Deep Learning Training

- **12:00-13:00 Lunch Break**

All times are in CEST

- 13:00-14:20 Introduction to Convolutional Neural Networks and Data Augmentation
- **14:20-14:30 Coffee Break**
- 14:30-15:45 Deployment, Pre-Trained Models and Transfer Learning
- 15:45-16:00 Q&A

2nd day: Fundamentals of Deep Learning for Multi-GPUs

- 10:00-10:15 Intro
- 10:15-12:00 Stochastic Gradient Descent
- **12:00-13:00 Lunch Break**
- 13:00-14:20 Introduction to Distributed Training
- **14:20-14:30 Coffee Break**
- 14:30-15:45 Algorithmic Challenges of Distributed SGD
- 15:45-16:00 Q&A

All times are in CEST

3rd day: Fundamentals of machine learning for working with texts and Building Transformer-Based Natural Language Processing Applications: Part 1

- 10:00-10:15 Intro
- 10:15-12:00 Working with text: From classifying images to generating Text

- **12:00-13:00 Lunch Break**

All times are in CEST

- 13:00-14:20 Machine Learning for Natural Language Processing: Fundamentals
- **14:20-14:30 Coffee Break**
- 14:30-15:45 Machine Learning for Natural Language Processing: Attention is all you need.
- 15:45-16:00 Q&A

4th day: Fundamentals of machine learning for working with texts and Building Transformer-Based Natural Language Processing Applications: Part 2

- 10:00-10:15 Intro
- 10:15-12:00 Transformer Based Models for Natural Language Processing
- **12:00-13:00 Lunch Break**
- 13:00-14:20 Hands On: Text Classifier and Named Entity Recognition
- **14:20-14:30 Coffee Break**
- 14:30-15:45 Transformer Based Networks in Production
- 15:45-16:00 Q&A

All times are in CEST

5th day: Deep Learning on LRZ Systems

- 10:00-10:15 Intro
- 10:15-12:00 Introduction to the LRZ AI Infrastructure
- **12:00-13:00 Lunch Break**
- 13:00-14:20 Introduction to the Compute Cloud for AI Inference and AI development
- **14:20-14:30 Coffee Break**
- 14:30-15:45 Hands on: Configuring a Cloud Instance for running AI workloads via JupyterLab
- 15:45-16:00 Q&A

All times are in CEST

Workshop Webpage

- All slides will be made available during the workshop under:

- <https://tinyurl.com/dlweek22>

- Further information on:

- Agenda
- Training Setup
- Slides
- Documentation

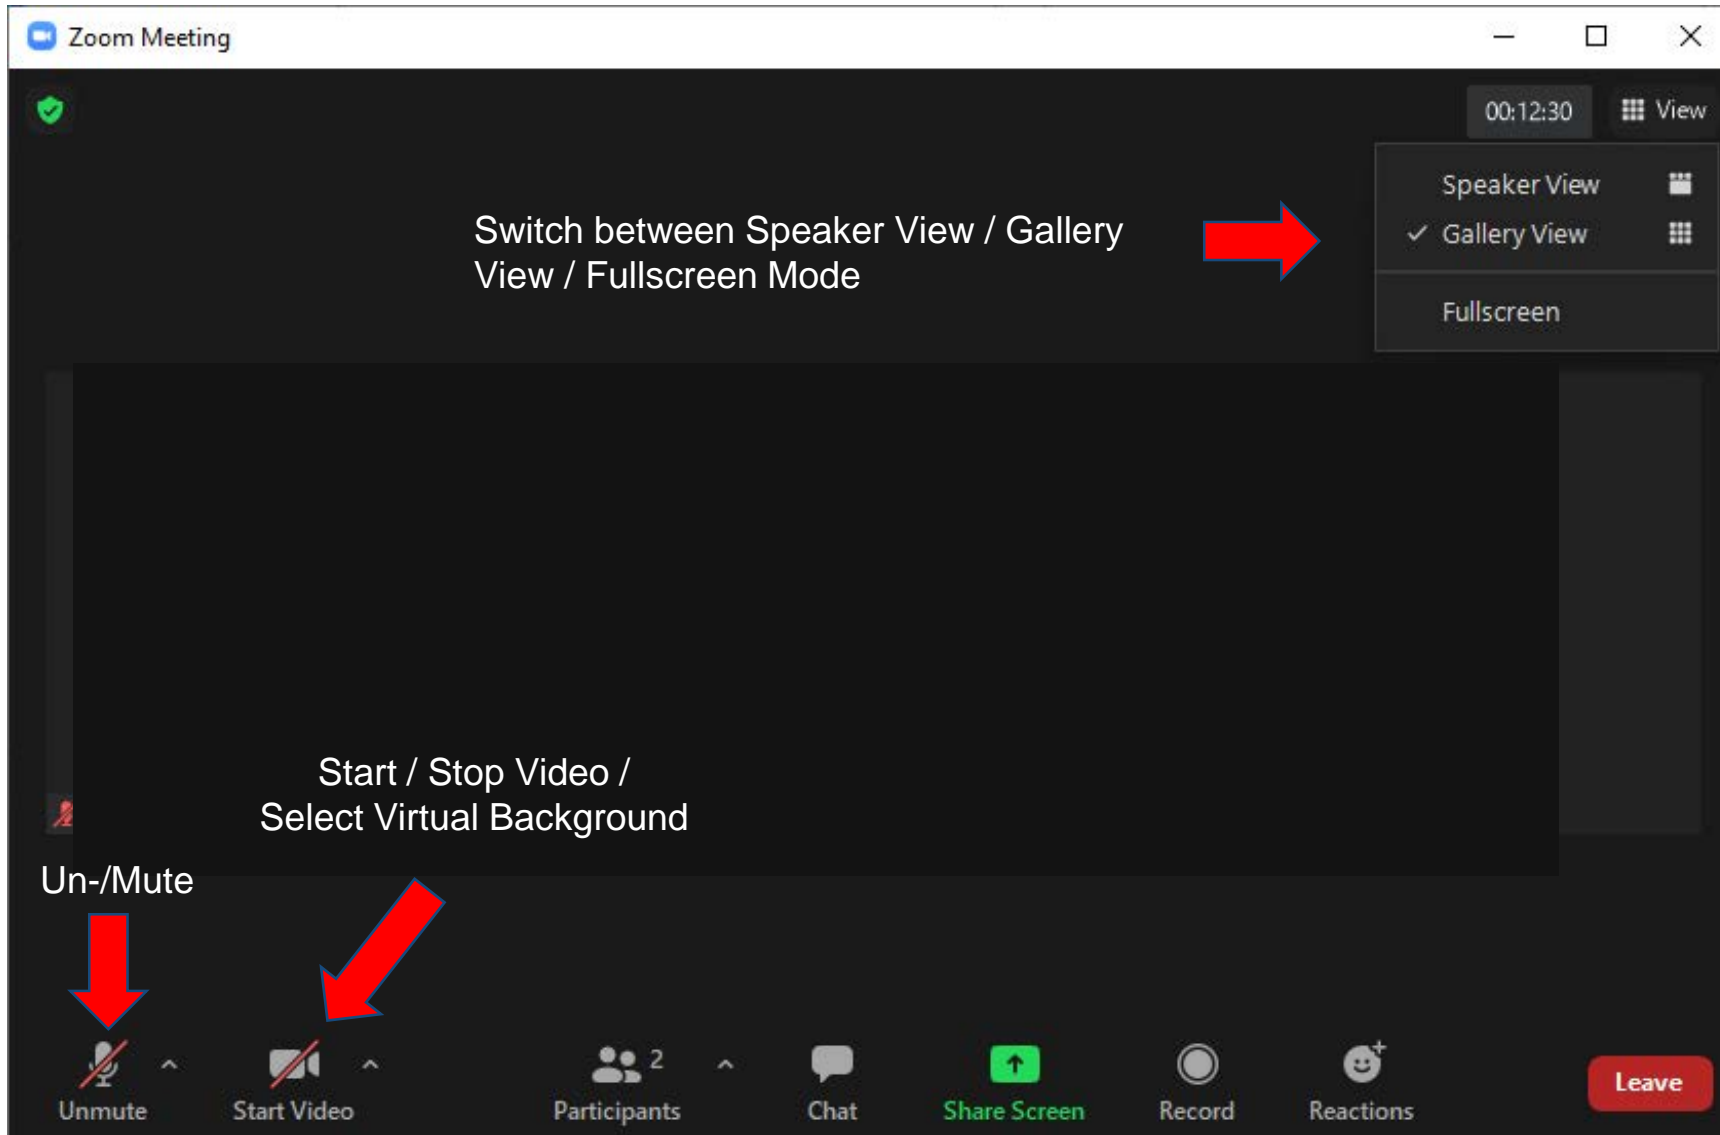

Training Setup

- To get started, follow these steps:
- Create an NVIDIA Developer account at <http://courses.nvidia.com/join> Select "Log in with my NVIDIA Account" and then "Create Account".
- If you use your own laptop, make sure that WebSockets works for you:
Test your Laptop at <http://websocketstest.com>
 - Under ENVIRONMENT, confirm that "WebSockets" is checked yes.
 - Under WEBSOCKETS (PORT 80]. confirm that "Data Receive", "Send", and "Echo Test" are checked yes.
 - If there are issues with WebSockets, try updating your browser.
We recommend Chrome, Firefox, or Safari for an optimal performance.
- Visit <http://courses.nvidia.com/dli-event> and enter the event code provided by the instructor.
- You're ready to get started.

- To ensure a pleasant experience with Zoom Meeting, we encourage participants to **download and install the latest Zoom application** via <https://zoom.us/download>.
- If you have problems with your computer audio, you can also **join by phone**.
Find your local number: <https://lrz-de.zoom.us/j/9123456789>

The screenshot shows the Zoom meeting interface with several annotations. A red arrow points from the text 'Switch between Speaker View / Gallery View / Fullscreen Mode' to the 'View' dropdown menu, which is open and shows 'Speaker View', 'Gallery View' (checked), and 'Fullscreen'. Another red arrow points from the text 'Start / Stop Video / Select Virtual Background' to the 'Start Video' button in the bottom toolbar. A third red arrow points from the text 'Un-/Mute' to the 'Unmute' button in the bottom toolbar. The bottom toolbar also includes 'Participants', 'Chat', 'Share Screen', 'Record', 'Reactions', and 'Leave' buttons.

zoom

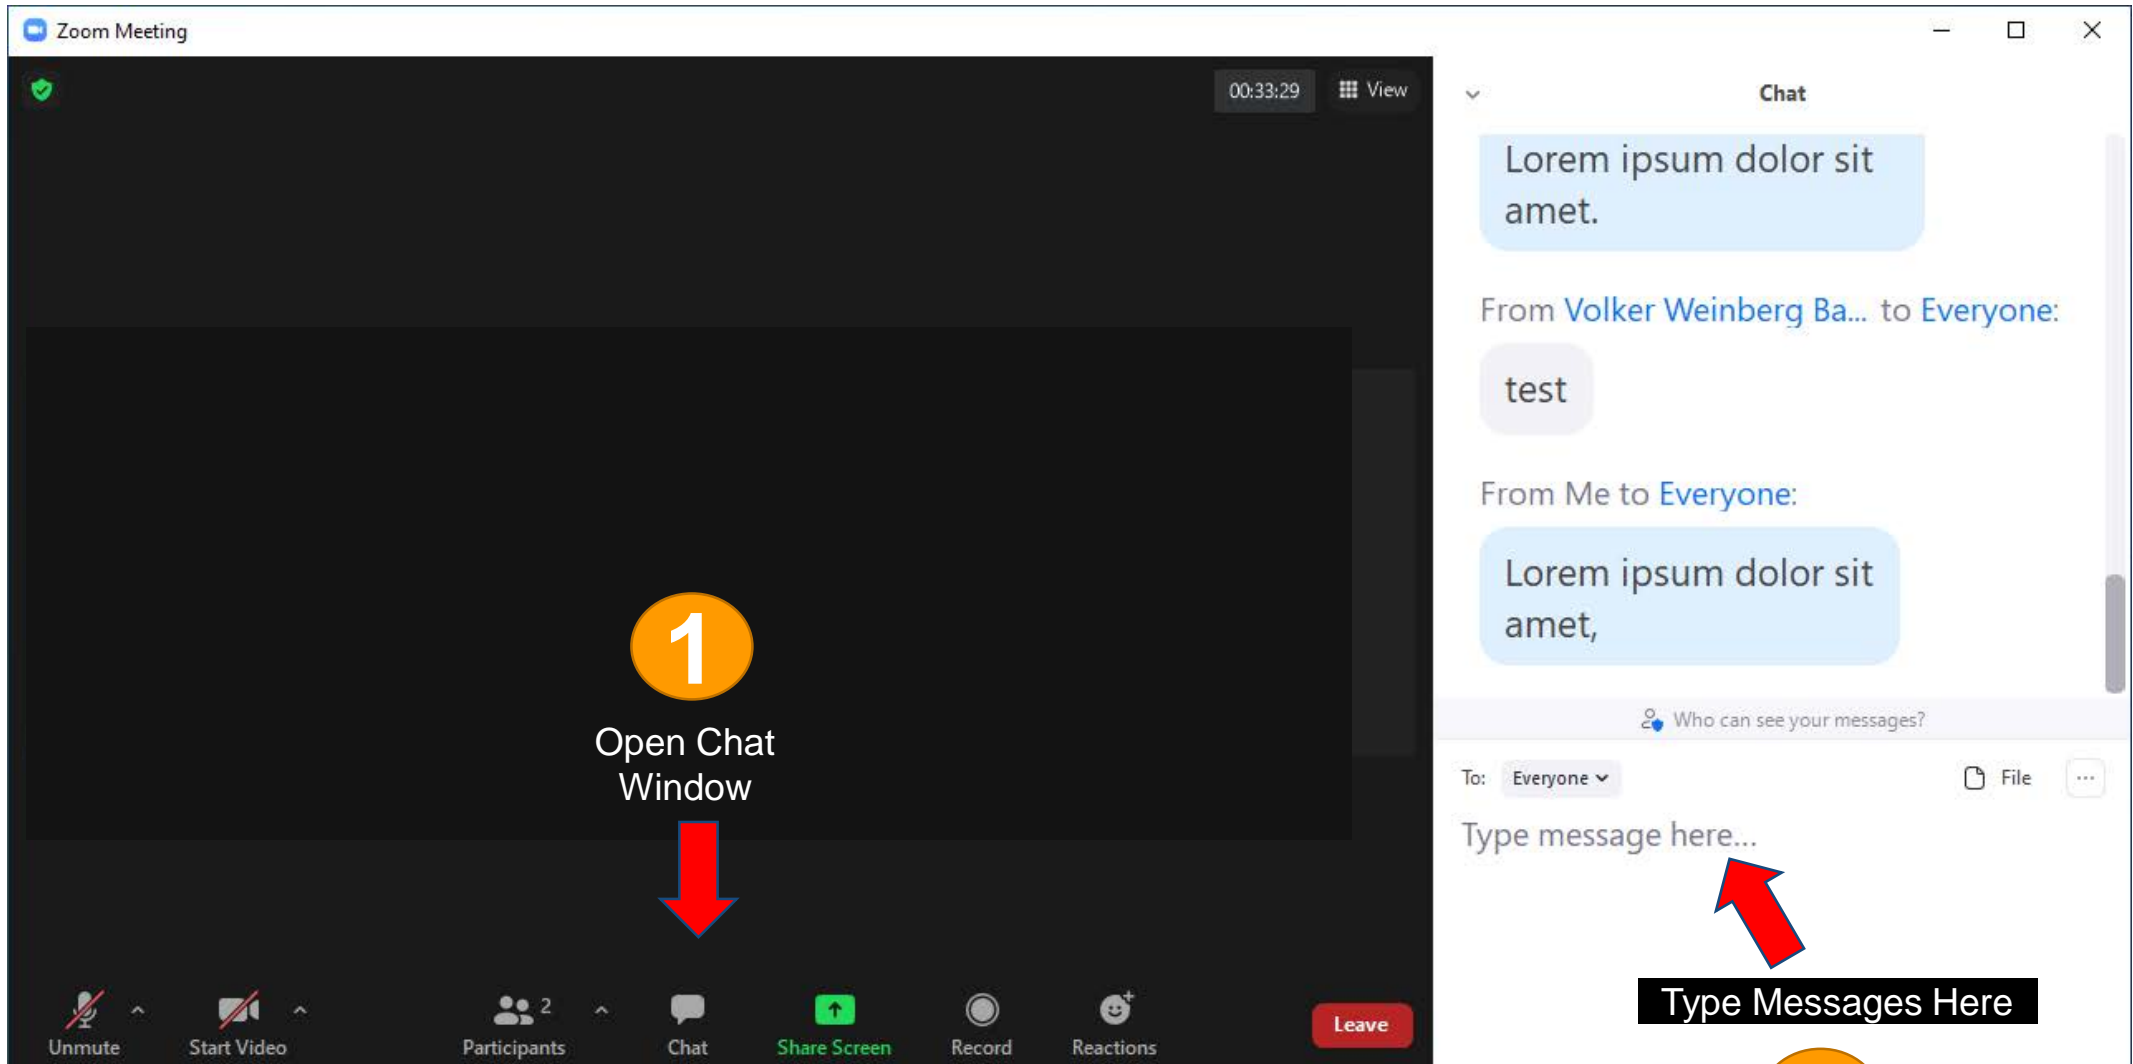

Participants List

Kindly use “<first name> <last name> (<institute>)” as your screenname.

Otherwise you will not receive a certificate of attendance after the course.

The screenshot shows a Zoom Meeting window with a dark theme. The main area is a video feed, currently blacked out. The bottom toolbar contains icons for Unmute, Start Video, Participants (with a '2' next to it), Chat, Share Screen, Record, Reactions, and Leave. A red arrow points from the 'Participants' icon to a floating 'Participants (2)' window. This window lists two participants: 'Volker Wei... (Me)' and 'Volker Weinberg Backup (Host)'. A blue box highlights the 'More >' button for the 'Me' participant, which has opened a dropdown menu with 'Edit Profile Picture' and 'Rename' options. A red arrow points from the 'Rename Yourself' text to the 'Rename' option. A large orange circle with the number '1' is overlaid on the main meeting area with the text 'Open Participants List' and a red arrow pointing to the 'Participants' icon. A second large orange circle with the number '2' is overlaid on the 'Rename Yourself' text with a red arrow pointing to the 'Rename' option in the dropdown menu.

- **Questions:**
 - **Raise your hand or use the chat window** if you have questions.
 - If you do not mind, please **show your video when asking questions** to make this workshop as interactive as possible.
- **Push to Talk:** The Push to Talk feature allows you to remain muted throughout the Zoom meeting and only if you hold down the spacebar you will be unmuted.
- **Instant Feedback:**

And now ...
